

Corey Baumgartner
Sacred Heart Major Seminary, Detroit, MI, College II
St. Philip Neri, Napoleon, ND

1. **What would be your best vacation ever?** I have always dreamed of backpacking the Camino de Santiago or any sort of hiking. Hiking the Camino is a definite Bucket list item that I will achieve in my life.
2. **What's your favorite recreational activity?** Disc golf or Ultimate Frisbee are some of my favorite ways to release energy.
3. **What is the last book you read for enjoyment?** Book One of the Lord of the Rings. I love the movies and thought it is about that time to read them.
4. **Who's your favorite super hero?** Captain America or Ant Man.
5. **Who is your favorite saint and why?** St. Joseph. He is such a great role model for what Catholic men should be like. He is strong and provides for his family and listens to the Lord with full confidence.
6. **How do any of your family members support you?** With a lot of love and prayers, and if I need it, some extra cash if I find myself in a tight corner.
7. **Are your grandparents still alive? Do you know how many cousins you have?** My mother's mom, Arvada Johnson, is still living and for my cousins, I believe there are on both sides a total of 100 aunts and uncles, cousins, 2nd cousins, and a few step. Family gatherings are a lot of fun!
8. **Before entering the seminary did you experience any doubts?** Of course I did. When going off and doing something you did not see yourself doing 3 years ago and you're actually doing it, doubts will come, but trusting in the Lord and being confident in Him is a great way to squash those doubts.
9. **Did you attend any discernment weekends or camps before applying to become a seminarian? If so, which one(s).** I went to an Operation Andrew Supper in May of 2014. That is the only discernment gathering I have gone to.
10. **What job / work have you enjoyed the most? Is there a job / work that you liked the least?**
This summer I worked out at Sheyenne Gardens in Harwood (north of Fargo). It was really fun to work out there. To just be in nature and do a labor job without a lot of thinking. There are not a lot of things I do not like in the world.
