HOW DID DINNER GO?

Great!

Met new people and got to know old acquaintances better.

Best dinner ever! We had some extra guests! Meal was wonderful and hosts amazing.

Good.

It was excellent! We had such great hosts and it was nice to meet people from the parish that we did not previously know. We saw them the next day at mass and it was refreshing to know a few more people in the community.

Splendidly. It was a fun evening.

It was very good.

Was a lot of fun meeting new people.

My husband and I had the best time! It was so fun to finally meet people from the parish! The casual, low-key setting made it easy to visit. The gracious and welcoming hosts made you feel like they were old friends that you hadn't seen in a while!

Very good!

It was a lot of fun! What a great idea! Thanks!

Dinner went great! I enjoyed the surprise of not knowing who would be coming and getting to meet other parishioners. I would definitely do this again!

WHAT IMPACTED YOU THE MOST?

Wisdom of Msgr. Goering.

The wine and conversation.

I really enjoyed us sharing our personal stories of faith and our “God moments.” It reaffirmed my faith.

That we were such an interesting mix of people. It’s a great way to get to know other people in the parish that I otherwise might not easily meet.

The time with the one-year old that kept running in to the dinner. There is much to learn from the innocence of a child.

It was good to see how the parish is bigger than our normal circle of friends.

Being part of a more diverse group for the conversation.

We moved to Fargo a little over a year ago. The parish we came from was very small. We loved the Cathedral, but the size made it feel a bit intimidating and we didn’t really know where to start. For us this was the perfect solution, casual, small, in home setting with hosts that had been a part of the Cathedral for some time. It gave us the confidence to become a bigger part of things that are happening in the parish. Thank you so much!

Meeting a new couple with a great story, and getting to know others better.

It was a good mix of people where we literally spent the entire two hours sitting at the table going around the room telling the group more about ourselves. Wonderful way to build fellowship for the church outside of church. I would definitely do this again! Thanks again!

It was great to meet new people and hear about their lives. I also felt like the Holy Spirit was definitely at work in the encounters this dinner facilitated. I also enjoyed being able to recognize some people at Masses afterward!
